Dear Sir or Madam:

RE: SUPPORT RESEARCH RELATING TO A CONNECTION BETWEEN TOBACCO USE AND  
HUMAN HEALTH

We have received your name from the University of Washington Funding  
Resource System as a possible source for funding for our smoking  
prevention research.

We are a group at the Fred Hutchinson Cancer Research Center which  
is also connected with the University of Washington.

Could you please send information and application materials for the  
funds you offer. The materials can be sent to the address on the above  
letterhead.

Thank you.

Sincerely,

  
Deborah J. Bowen, Ph.D.  
Intervention Director
